Summary of Property Tax Exemptions

Industrial Facilities (IFT):

PA 198 of 1974 provides a tax incentive to manufacturers in order to enable renovation and expansion of aging facilities, building of new facilities, and to promote establishment of high tech facilities. An IFT certificate entitles the facility to exemption from ad valorem real and/or personal property taxes for a period of 1 to 12 years. A certificate holder will pay a specific tax known as the Industrial Facility Tax. Applications are filed, reviewed and approved locally with the local unit determining the number of years granted, but are also subject to review at the state level by the Property Services Division and the Michigan Economic Development Corporation. The State Tax Commission is ultimately responsible for final approval and issuance of certificates. Exemptions are not effective until approved by the Commission.

Water Pollution Control:

PA 451 of 1994, Part 37, as amended, provides 100% property and sales tax exemption to facilities which are designed and operated primarily for control, capture and removal of industrial waste from the water. The Department of Environmental Quality reviews all applications and makes recommendation to the State Tax Commission on qualification. The State Tax Commission is ultimately responsible for final approval and issuance of certificates. Exemptions are not effective until approved by the Commission.

Air Pollution Control:

PA 451 of 1994, Part 59, as amended, provides 100% property and sales tax exemption to facilities which are designed and operated for the primary purpose of controlling or disposing of air pollution that if released would render the air harmful or inimical to the public health or to property within this state. The Department of Environmental Quality reviews all applications and makes recommendation to the State Tax Commission on qualification. The State Tax Commission is ultimately responsible for final approval and issuance of certificates. Exemptions are not effective until approved by the Commission.

New Personal Property:

PA 328 of 1998, as amended, provides 100% property tax exemption for specific businesses located in eligible distressed communities. The exemption is for all new personal property placed in a district that has been established by the local unit of government. The local unit of government determines the number of years granted for the exemption. Applications are approved at the local and state levels. The State Tax Commission is ultimately responsible for final approval. Exemptions are not effective until approved by the Commission.

Obsolete Property Rehabilitation (OPRA):

PA 146 of 2000 provides commercial and commercial housing property tax exemptions. Applications must be approved at the local and State levels, with a certificate issued by the State Tax Commission to be effective. The property must have at least a 50% obsolescence finding from an eligible community assessor and be located in an established OPRA District. Exemptions are approved for one to twelve years to be determined by the local unit of government with taxes based on the previous years (prior to rehabilitation) taxable value. This value is frozen for the length of the abatement. Each year the State Treasurer may approve 25 additional reductions of half the school operating and state education taxes for a period not to exceed six years.

Neighborhood Enterprise (NEZ):

PA 147 of 1992 provides for the development and rehabilitation of residential housing located in eligible distressed communities. A certificate holder will pay a specific tax known as the Neighborhood Enterprise Zone Tax. Applications are filed, reviewed and approved locally, but are also subject to review at the state level by the Property Services Division. Exemptions are approved for a new or rehabilitated facility as allowed by the Act. The State Tax Commission is ultimately responsible for final approval and issuance of certificates. Exemptions are not effective until approved by the Commission.

207.778 Neighborhood enterprise zone certificate; form and contents.

Sec. 8. A neighborhood enterprise zone certificate shall be in the form prescribed and provided by the commission and shall include the following:

(a) A legal description of the real property on which the new facility is to be located or the legal description of the rehabilitated property.

(b) A statement that unless revoked under this act, the certificate shall remain in effect for the period stated in the certificate.

History: 1992, Act 147, Imd. Eff. July 16, 1992.

207.779 Neighborhood enterprise zone tax; exemption from ad valorem real property taxes; determination of amount; payment; disbursement; distribution to intermediate school districts; payment to state treasury; tax as lien; continuance of certificate; condition; collection as delinquent tax; facility located in renaissance zone.

Sec. 9. (1) Except as provided in subsection (10), there is levied on the owner of a new facility or a rehabilitated facility to which a neighborhood enterprise zone certificate is issued a specific tax known as the neighborhood enterprise zone tax.

(2) A new facility or a rehabilitated facility for which a neighborhood enterprise zone certificate is in effect, but not the land on which the facility is located, is exempt from ad valorem real property taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157.

(3) The amount of the neighborhood enterprise zone tax on a new facility is determined each year by multiplying the taxable value of the facility, not including the land, by 1 of the following:

(a) For property that would otherwise meet the definition of a principal residence under section 7dd of the general property tax act, 1893 PA 206, MCL 211.7dd, if that property was not exempt from ad valorem property taxes under this act, 1/2 of the average rate of taxation levied in this state in the immediately preceding calendar year on a principal residence and qualified agricultural property as defined in section 7dd of the general property tax act, 1893 PA 206, MCL 211.7dd. However, in 1994 only, the average rate of taxation shall be the average rate of taxation levied in 1993 upon all property in this state upon which ad valorem taxes are assessed.

(b) For property that is not a principal residence under section 7dd of the general property tax act, 1893 PA 206, MCL 211.7dd, 1/2 of the average rate of taxation levied upon commercial, industrial, and utility property upon which ad valorem taxes are assessed as determined for the immediately preceding calendar year by the state board of assessors under section 13 of 1905 PA 282, MCL 207.13. However, in 1994 only, the average rate of taxation shall be the average rate of taxation levied in 1993 upon all property in this state upon which ad valorem taxes are assessed.

(4) The amount of the neighborhood enterprise zone tax on a rehabilitated facility is determined each year by multiplying the taxable value of the rehabilitated facility, not including the land, for the tax year immediately preceding the effective date of the neighborhood enterprise zone certificate by the total mills collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, for the current year by all taxing units within which the rehabilitated facility is located.

(5) The neighborhood enterprise zone tax is an annual tax, payable at the same times, in the same installments, and to the same officer or officers as taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, are payable. Except as otherwise provided in this section, the officer or officers shall disburse the neighborhood enterprise zone tax received by the officer or officers each year to the state, cities, townships, villages, school districts, counties, and authorities at the same times and in the same proportions as required for the disbursement of taxes collected under the general property tax act, 1893 PA

206, MCL 211.1 to 211.157. To determine the proportion for the disbursement of taxes under this subsection and for attribution of taxes under subsection (7) for taxes collected after June 30, 1994, the number of mills levied for local school district operating purposes to be used in the calculation shall equal the number of mills for local school district operating purposes levied in 1993 minus the number of mills levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, for the year for which the disbursement is calculated.

(6) An intermediate school district receiving state aid under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, of the amount that would otherwise be disbursed to or retained by the intermediate school district, all or a portion, to be determined on the basis of the tax rates being utilized to compute the amount of state aid, shall be paid to the state treasury to the credit of the state school aid fund established by section 11 of article IX of the state constitution of 1963. If and for the period that the state school aid act of 1979, 1979 PA 94, MCL 388.1601 to 388.1772, is amended or its successor act is enacted or amended to include a provision that provides for adjustments in state school aid to account for the receipt of revenues provided under this act in place of exempted ad valorem property tax, revenues required to be remitted or returned to the state treasury to the credit of the state school aid fund shall be distributed instead to the intermediate school districts. If the sum of any industrial facility tax levied under 1974 PA 198, MCL 207.551 to 207.572, the commercial facilities tax levied under the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668, and the neighborhood enterprise zone tax paid to the state treasury to the credit of the state school aid fund that would otherwise be disbursed to the intermediate school district exceeds the amount received by the intermediate school district under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, the department of treasury shall allocate to each eligible intermediate school district an amount equal to the difference between the sum of the industrial facility tax, the commercial facilities tax, and the neighborhood enterprise zone tax paid to the state treasury to the credit of the state school aid fund and the amount the intermediate school district received under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681.

(7) For neighborhood enterprise zone taxes levied after 1993 for school operating purposes, the amount that would otherwise be disbursed to a local school district shall be paid instead to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(8) The officer or officers shall send a copy of the amount of disbursement made to each unit under this section to the commission on a form provided by the commission. The neighborhood enterprise zone tax is a lien on the real property upon which the new facility or rehabilitated facility subject to the certificate is located until paid. The continuance of a certificate is conditional upon the annual payment of the neighborhood enterprise zone tax and the ad valorem tax on the land collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157.

(9) If payment of the tax under this act is not made by the March 1 following the levy of the tax, the tax shall be turned over to the county treasurer and collected in the same manner as a delinquent tax under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157.

(10) A new facility or a rehabilitated facility located in a renaissance zone under the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696, is exempt from the neighborhood enterprise zone tax levied under this act to the extent and for the duration provided pursuant to the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696, except for that portion of the neighborhood enterprise zone tax attributable to a special assessment or a tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff. The neighborhood enterprise zone tax calculated under this subsection shall be disbursed proportionately to the local taxing unit or units that levied the special assessment or the tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff.

207.780 Neighborhood enterprise zone certificate; effective date; filing; affidavit of occupancy by owner as principal residence.

Sec. 10. (1) Except as provided in subsections (2) and (3), the effective date of the neighborhood enterprise zone certificate is December 31 in the year in which the new facility or rehabilitated facility is substantially completed and, for a new facility, occupied by an owner as a principal residence, as evidenced by the owner filing with the assessor of the local assessing unit all of the following:

(b) For a rehabilitated facility, a certificate that the improvements meet minimum local building code standards issued by the local building inspector or other authorized officer or a certificate of occupancy if

(d) For a new facility, an affidavit executed by an owner affirming that the new facility is occupied by an owner as a principal residence.

207.781 Revocation, expiration, or extension of certificate; rescission of revocation.

Sec. 11. (1) Upon receipt of a request by certified mail to the commission by the holder of a neighborhood enterprise zone certificate requesting revocation of the certificate, the commission by order shall revoke the certificate.

(2) The certificate shall expire if the owner fails to complete the filing requirements under section 10 within 2 years of the date the certificate was issued. The holder of the certificate may request in writing to the commission a 1-year automatic extension of the certificate if the owner has proceeded in good faith with the construction or rehabilitation of the facility in a manner consistent with the purposes of this act and the delay in completion or occupancy by an owner is due to circumstances beyond the control of the holder of the certificate. Upon request of the local governmental unit, the commission shall extend the certificate if the new facility has not been occupied.

(3) The certificate for a new facility is automatically revoked if the new facility is no longer a homestead as that term is defined in section 7a of the general property tax act, 1893 PA 206, MCL 211.7a. However, if the owner or any subsequent owner submits a certificate before the revocation is effective, the commission, upon application of the owner, shall rescind the order of revocation. If the certificate is submitted after revocation of the certificate, the commission, upon application of the owner, shall reinstate the certificate for the remaining period of time for which the original certificate would have been in effect.

(4) If the owner of the facility fails to make the annual payment of the neighborhood enterprise zone tax and the ad valorem property tax on the land under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, the commission by order shall revoke the certificate. However, if payment of these taxes is made before the revocation is effective, the commission, upon application of the owner, shall rescind the order of revocation. If payment of these taxes and any subsequent ad valorem property tax due on the facility is made after revocation of the certificate, the commission, upon application of the owner, shall reinstate the certificate for the remaining period of time for which the original certificate would have been in effect.

(5) If a new facility or a rehabilitated facility ceases to have as its primary purpose residential housing, the commission by order shall revoke the certificate for that facility. A new or rehabilitated facility does not cease to be used for its primary purpose if it is temporarily damaged or destroyed in whole or in part.

(6) If the governing body of a local governmental unit determines that a new facility or a rehabilitated facility is not in compliance with any local construction, building, or safety codes and notifies the commission by certified mail of the noncompliance, the commission by order shall revoke the certificate.

(7) The revocation shall be effective beginning the December 31 following the date of the order or, if the certificate is automatically revoked under subsection (3), the December 31 following the automatic revocation. The commission shall send by certified mail copies of the order of revocation to the holder of the certificate, to the local governmental unit in which the facility is located, to the assessor of that local governmental unit, and to the legislative body of each taxing unit that levies taxes upon property in the local governmental unit in which the new facility or rehabilitated facility is located.

If the new facility or rehabilitated facility is sold or transferred to another owner who otherwise complies with this act and, for a new facility, uses the new facility as a principal residence, the certificate shall remain in effect.

(2) If a rehabilitated facility was sold before December 29, 1994 and a certificate was in effect for that facility at the time of the sale, and the new owner of the rehabilitated facility otherwise complies with this act, the certificate shall be reinstated and remain in effect for the remainder of the original period described in subsection (1), unless earlier revoked under section 11.

(3) Except as provided in subsection (4), a change in ownership of a rehabilitated facility constituting all or a portion of a qualified historic building, occurring after the effective date of a neighborhood enterprise zone certificate for that rehabilitated facility, shall not affect the validity of that neighborhood enterprise zone certificate, and the certificate shall remain in effect for the period specified in this section as long as the rehabilitated facility has as its primary purpose residential housing.

(4) Unless revoked earlier as provided in section 11, a neighborhood enterprise zone certificate in effect for a rehabilitated facility constituting all or a portion of a qualified historic building shall remain in effect for 11 to 17 years from the effective date of the certificate as determined by the governing body of the local governmental unit.
